LIKES THE HERALD.

Editor El Paso Herald:
I am not in the habit of throwing bouquets, and writing what I believe you must know is doing to know it, then you can write it and talk it. "Believing" has filled this world with tears, death, and destruction. I am not giving my neighbor a black eye, though will say that the El Paso Herald is the best edited newspaper in the southwest. It gives the news of today, and the truth as it is received over the wire, and if there is a mistake, the Herald is not at fault. Three cheers for The Herald, and long may it live.
Ben C. Moore.

HOW HE WOULD DO IT.

Editor El Paso Herald:
When a business man or corporation wants to make improvements, an architect, or surveyor or civil engineer is employed. The improvement is planned and estimated.
Then bids are advertised for and contracts made and secured for correct performance.
That is considered business and a sane business way.
Turn down the next bond election and then have county surveys for the correct work needed and required for roads that will last and be permanent, advertise for bids, secure contracts from reliable contractors, secured and bonded, and have real roads.
John P. Edgar.

A SOLDIER TO SOLDIERS.

Editor El Paso Herald:
A few days ago I read in The Herald a letter written by Donald Smith, complaining because he thought that he might be made a "scavenger" by helping to clean up the Chihuahuas district. Of course it is not very nice to

MOTHER OF SCHOOL GIRL Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Daughter's Health.

Plover, Iowa.—"From a small child my 13 year old daughter had female weakness. I spoke to three doctors about it and they did not help her any. Lydia E. Pinkham's Vegetable Compound had been of great benefit to me, so I decided to have her give it a trial. She has taken five bottles of the Vegetable Compound, according to directions on the bottle and she is cured of this trouble. She was all run down when she started taking the Compound and her periods did not come right. She was so poorly and weak that I often had to help her dress herself, but now she is regular and is growing strong and healthy."—Mrs. MARTIN HELVIG, Plover, Iowa.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.

If you are ill do not drag along and continue to suffer day in and day out but at once take Lydia E. Pinkham's Vegetable Compound, a woman's remedy for woman's ills.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

14 YEARS Ago Today

From The Herald of This Date, 1901.

Pat Dwyer has returned from San Antonio.
Harry Newman, Jr., has returned from Detroit, where he went to visit his daughter, who is now in the county hospital.

A new automobile makes its appearance in El Paso. It is the property of Frank Bell.
Harry Edwards' daughter, Mrs. Ed Sidobotham, came in this morning to spend several days with her father.

In the district court yesterday George Look filed suit against Guadalupe Mandri, of Juarez, to recover money loaned on a note.

The Hillside Terrors and the Santa Fe Blues fought a nine inning game to a rapid fire finish today, with the score 15 to 15 in favor of the Terrors.

The capital stock of the El Durack Oil company has been authorized at \$500,000. Among the directors named is J. A. Eddy, Dan Kelly, Dr. A. K. Albers, Judge Walthall, J. C. Leland and Dr. H. H. Stark.

District court grand jurors sworn in are A. H. Richards, foreman, J. J. Mandy, E. C. Lightbody, E. Kohberg, H. W. Allen, H. S. Claudman, G. L. Hoyt, P. Moore, Maj. McElennan, H. H. Bryant, J. M. Dwyer, J. M. Cordova and L. Alderete.

This could be done for about 25 cents per square yard, but the commissioners advise for bids for the resurfacing of this road and getting them in going to keep it in perfect condition for five years, putting him under a good surety bond. This, I am satisfied, can be done at a cost of between \$100 and \$150 per mile, and at the end of the five years you would have a perfect road that could be kept up with very little expense for all time.

The road to the New Mexico line and the north loop could be treated in the same way, only a good deal of the road would have to be rebuilt and drained properly.

If the road carry the 12th, which I feel sure they will, it will give this county money enough if properly spent, to put all our paved roads in good condition and still have money enough to build all the cross roads we need. Then with our road and bridge fund our roads could be kept in perfect condition.

I have in my possession the specifications under which more than 50 percent of the roads in Los Angeles county, California, have been laid. The \$2,000,000 which they have spent has all been under the general supervision of one man under a salary of \$4,000 per year, and by the way, he is no politician.

Our roads are not nearly as bad as they are painted by some people. Instead of throwing away what we already have, we should have some money honestly spent on them and we will have good roads, just as good as California that we hear so much about.

gelmeyer's chewing gum slot machine as Tony reached the landing of the eighth floor.
He had reached the twenty-sixth floor by the time Ferdie, who was rather a slow walker, was up to McStable's garage and soda fountain.

Up, the roof at last, thirty-seven stories above the street, just as Ferdie was passing the building. He could see Ferdie's brightly shined shoes gleaming below. Zam! The half pint of mud found its mark. Both shoes a mess!

At the lightning, Tony sped down to the street, his business boot swinging behind him, and overtook Ferdie at the corner.
"Shine, mister!" he said.
"Why, yes," replied Ferdie. "What a coincidence!"

CLOVIS NEWS ISSUES ITS BIG DEVELOPMENT EDITION.
The annual fair and development edition of the Clovis, N. M. News has been published here and contains some excellent pictures of this prosperous city of the plains.

The edition is largely devoted to the development of the district in Curry county and devotes much space to the program and which is in progress at Clovis this week.

The Real Suffrage Thought of Women

Motherhood is the thought uppermost in woman's mind. And with it, of course, comes the question of comfort, of helpful aids and influences. Among the best of these is a well known external remedy, "Mother's Friend."

It is gently applied to the surface muscles. These are lubricated, toned, made pliable so they stretch as nature requires without the strain and pain of cords and ligaments. This influence extends through the myriad of nerves to deeper surfaces, the internal organs. And thus a period of repose must reflect itself not only in the mind of the mother, but upon the babe to come.

Young mothers who have used "Mother's Friend" have written to say how relieved they were at the absence of morning sickness, extreme nervousness, and other distresses of which they had heard and feared. Get a bottle of "Mother's Friend" at any drug store. Simply apply it over the stomach muscles and rest assured of perfect safety and comfort day and night. Write to Bradford Regulator, 441 Lamar Bldg., Atlanta, Ga., for their handsome and instructive book.

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become "tightly" clogged with waste. Give a teaspoonful of "California Syrup of Figs" and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless, children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the wrapper. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.—Advertisement.
